To Lord CHATHAM. My LORD.

As an Englishman, I have frequently taken the liberty of calling on you to shift in laving year entropy whole opperations are too numerout to be related, relation frequently populations much have pledged then leves to the people, and whole virtue and integrity all good men, and friends to liberty, revere and admire. At the head of the band is your Lordfhip, born with fine take its and it merband is your Lordinip, born with fine tale is, and a per-lect knowledge of that equal balance, by which the rights of this great kingdom can other be lupported or defended. My Lord, on the fide of public freedom, is the belt and richeft blood in the three kingdoms, whild your en mice are tyrants, cowards, and oppreflors ; coaders of law and juttice. My Logi, they are men who delight in blood and murder; witness St. George's Fields, and the butchers at Boiton. The eyes of all Europe ate on you, Oer enemies dread your upropheneis, and all good and conrene in it. America, my Lord, now claims your prome-trees, from all the horrors with once and the prome-rangue the Houfe you being to with unceasing chaque new and confider that the lives of thoulands may publicly before your Lordihip's faving. Like Cato live, the boldly die, detending the people's rights. I cannot conclude, with-out paying my grateful respects to those illustricus friends who cherm and support you. PORTIUS.

MINUTES of the Houfe of Commons, 16th April, 1770.

MR. Trecothick moved for an address to the King, for a narrative and all accounts received by the treafury. &c. relative to the late diffurbances in Bofton ; alio for orders and inftructions fent to America fince the a4th of Junc laft.

Mr. Beckford feconded the motion, and referved a right to fpeak upon the fubject, if others did : Accordingly afobferved upon the ill-policy of the American terwards, revenue laws, and the ill-conduct of government towards the people there; they are not fubject to the people of Great Britain, but fubjects in common with them. ral Gage's committion is ilk gal, and tuperfedes all charters in that country ; and placing the military above the civil power, is matter that deferved the immediate confideration of Parliament; and he wilhed to have a day appointed for an inquiry into the flate of the colories

Lord North was defirous that the Houfe might have a natrative of the diffurbances in America ; and that his only objection to the motion was, that the words " All accounts Mative," &c. would expose the names, and might fubject to ill-treatment the foas who had given the information

Mr. Edmond Borke acknowledged the propriety of the second borker acknowledged the propriety of the second that had wrote, that they the second to fuffer as the bad done, where terren had to en had before the Houfe the Laft feflions, and copies of their processed and forwarded by one Boltum or Bollan. On the other hand, he thought that garbled lettert would not afford the House full information ; but upon the whole declared he should be fatisfied with a narrative. He Incesed at the Monthly for having in the balt fellion needicaty expected the intelligence of the King sofficers in America, in faying before the Houfe tetters that were not reguired. Who alk d for that extraor dinary letter of Governor Bernard's, that recommended at establisher ation of the confitution of the Matlachuletts government; it was laid upon the table unaffed for; and the a frice it contained has been too many fellowed, for to that Governor is principally owing the prefeat unbappy fituation of our affaits in America. To what a wretched pafa are affaits brought by the faft three years that and weak conduct of Administration | Great one of her colonies, two of her regiments have made as ignominious ret reat from their flation, and are actual prim-ners of war at Caffie-William, and liable to be flarved on by the Boftonians ! Administration may probably sell you that you inculd advise them what measures to purfice with A serica. I will not give it, let them throw up the reins of
